DWNTWN Muncie has been the home of progress for over two decades. If you step downtown, you'll see just that.

Muncie Downtown Development Partnership (MDDP) has played a key role in creating a vibrant place where people love to live, work, and play. Through the hard work of many partners, downtown has transformed into a hub for continuing education, affordable housing, and new business ventures.

Canan Commons stands tall as a testament to our community's spirit – a place where we gather to celebrate together and connect. Walk a block in any direction and you'll discover local eateries, unique shops, and engaging activities. Each one adding to the downtown life. Community events like Fire Up DWNTWN, ArtsWalk, and First Thursday have drawn visitors from across the region to immerse themselves in the unique charm of our city.

MDDP, in partnership with the City of Muncie and many other organizations, has collaborated on numerous beautification efforts to enhance our city's quality of life. From the iconic vibrant wall mural outside Mark III Tap Room painted by We're Trying Collective, a group of talented local artists, to the new Dave's Alley light installation organized by the Muncie Arts and Culture Council, each project reflects the collective effort of our community members. Through these endeavors, we've not only had the opportunity to preserve Muncie's rich heritage but infuse new life into its historic streets.

And the best part? Everything you need is here or only ten minutes away. Whether it's a cozy café for your morning caffeine fix or a bustling workspace to fuel your entrepreneurial dreams, downtown Muncie has it conveniently in reach. So find your place in a neighborhood that welcomes everyone.

We're excited to welcome all of our visitors, residents, and future members of our community! Together, let's continue writing the story of downtown.

Gotta love Muncie!

Dan Ridenour
Mayor of Muncie
